Title of the Practices	Seminars on Soft Skills for Business
Objectives of the Practice	<p>Some of the main objectives are highlighted as given below:</p> <ul style="list-style-type: none"> • To improve verbal and non-verbal communication skills of students • To differentiate between formal and informal communication • Use of appropriate body language • To learn and practice good social and business etiquette
Content that required initiation of the practice	Soft skills include human ability to use intelligence, knowledge and emotions to build healthy relationships with people and get on well with peers and associates. The ability to speak and write persuasively and win the goodwill of others is the need of the hour.
The Actual Practice	Students were assigned a wide variety of topics which included features of spoken language like pronunciation, word linking, stress, intonation, accent, pace, volume, pitch, pauses, etc. Business and social etiquette dealt with greetings, apologizing, introductions, meetings etiquette, telephone etiquette, e-mail etiquette, table manners, etc. Public speaking had varied aspects such as making effective speeches, preparing the text, delivery of the speech, etc. Different kinds of speeches such as welcome, introductions, inaugural speech, vote of thanks, farewell, send-off and condolence were taken up. Business presentations consisted of several sub topics like visual aids, making a PowerPoint presentation, handling questions from the audience, etc.
Obstacles faced	A few students did not meet the expected standards and showed lack of enthusiasm.
Strategies Adopted to overcome them	Students should be made to realize the importance of gaining proficiency in English communication skills.
