

SRI BHAGAWAN MAHAVEER JAIN FIRST GRADE COLLEGE Geetha Road, Robertsonpet, Kolar Gold Fields – 563 122

7.1.5. Waste Management steps including:

1. Solid Waste Management

Green, blue and Red color bins are used in the college. Blue color bins are placed in the Office, Departments, Library and in each floor. Red and Blue color bins are used in Labs. Green color bin is used in the canteen. Green color is used for the degradable waste Blue is used for the non degradable waste like paper, plastic and glass and Red color dust bin is to collect the chemicals in Chemistry Lab and E waste in Computers and Physics Lab.

Red color Dustbin for Chemicals and E waste, Green color Dustbin for degradable waste and Blue color Dustbin for non biodegradable collection

2. E- Waste Management

E-Waste Accessories Design: Students ++ Forum of Department of Computer Science organized E-Waste Accessories Design competition.

Awareness was created to the students on safe disposal of Ewaste on the **World Environment Day** and 80 Kg of Ewaste generated in the college and collected from the students are disposed to a certified vender **E-Cycle Solutions**, Bangalore.
