Department of English

Title of the Practice	A one day National Level Conference on Indian Diasporic Literature in English was conducted by the department on 22nd February, 2019.
Objectives of the Practice	The main purpose of the conference was to highlight the significance of Indian diasporic writers. It is frequently referred to as Indo-Anglian literature.
Content	Diasporic literature is a vast concept and it includes all those literary works written by the authors outside their native country.
Actual Practice	The following sub themes were dealt with: Indian Diaspora and its Literary Expressions, Indian Writing in English, Contemporary Indian English Literature and Postcolonial literature
Evidence of Success	The talk by the plenary speaker on Postcolonial literature was very informative and educative. Research papers were presented and published by faculty members, research scholars and students. Best paper awards were given to faculty members and students.
Obstacles	Some of the papers were presented in absentia as the presenters were not able to make it due to unavoidable circumstances.
Strategies Adopted	Wider publicity of the conference should be given to attract more participants.
