REPORT ON NPTEL ORIENTATION PROGRAM

A NPTEL, Linked In and coursera awareness program was conducted for the students of First year B.com, BBA, BCA, BGB and PMCS ON 14th July 2023. A total of 150 students attended the session. The session was conducted by Mr. Harish G Asst. Professor Department of Commerce (SPOC and NPTEL coordinator) and Ms. D.S Sangeetha Asst. Professor Department of Computer Science.

The session focused on the procedure to enroll for NPTEL courses, how to submit assignments and fill examination forms as well as the timeline for July 2023. Students were given an idea regarding NPTEL Certificates, fee waiver benefit for SC, ST and low-income students.

Students were motivated to strengthen their learning and career paths by joining the online courses and stated how today's digital era can provide education to every mind that wishes to learn and grow.

Senior students who completed the NPTEL Courses shared their learning and exam experience encouraged juniors to overcome the fear of exam.

3. CIRCULATION SYSTEM

Library automation software to work properly and in sync with the needs of the user, it is vital to have a circulation control provision. EASYLIB library software is designed & developed keeping in mind the same. Right from creating borrower types to maintaining information about the borrowers, tracking their issue, return, dues, fines, and the entire borrowing history, EASYLIB circulation control enables the librarians to access & analyze the information at just a click of a button. To be precise, it helps the librarian to manage Library Circulation.
