STRATEGIC PLAN

Strategic planning is an integral component of good management. The strategic plan chart directs and guides the processer. The Institution can develop strategies and action plans are implemented to accomplish and achieve goals and objectives every year. These action plans together with performance measures provide the strongest links between the academic years. The purpose of planning is to improve the chances of reaching the desirable possible outcomes.

A strategic plan is a practical action oriented guide. It develops a clear statement of the Institution's mission the vision indentifies a set of goals and objectives it formulates key strategies that address those factors that are essential for the institution's success. Key strategies also indicate the major undertakings that will reposition the Institution for the future.

Vision

To make SBMJC-KGF, a nurturing ground for holistic development of the young mind, by providing intellectual nourishment and wholesome education to develop emotional stability and strength to respond creatively to the challenges of work full of relentless competition.

Mission

To develop SBMJC-KGF into a campus of excellence, to strive for continuous improvement, to provide quality education, to help students achieve good career and all round development of personality. To face the challenges of relentless competition

About Us

Sri Bhagawan Mahaveer Jain First Grade College at Kolar Gold Fields is the 21st constituent of the Jain Group of Institutions. Established in the year 2004, it has crossed several barriers effectively on its way to impart quality education, possessing undisputable physical infrastructure and learning models. The institution completes 18th academic years and is looking forward towards taking one more challenge to its stride in providing education with quality, styled to reach the mass with limited time and available resources.

Achievements are big enough to be dreamt and successive dreaming, leads to achievements over a period of time.

The Institution has been able to make remarkable progress and evident achievements in academics, event management, academic evaluation and results, quality in leadership, learning outcome with the use of infrastructure, the basic set of guidelines and the way of looking at various aspects.

ONE DAY NATIONAL CONFERENCE ON “MICRO CREDIT LENDING AND ECONOMIC PROSPERITY IN 21ST MILLENNIUM” “MCLEP21”

The PG and UG, Department of Commerce and Management Studies organised one day National Conference on 19th of August 2022, on the topic “Micro Credit Lending and Economic Prosperity in 21st Millennium” the inaugural started at 10:00 am, with invocation and lighting of the lamp, followed by it Dr J. Anthony Cruze Thangaraj Head and Professor of Post Graduate Department of Commerce delivered welcome address.

The key note speaker was introduced by Ms. Sujatha Arasu, then the Guest of Honour and Key note speaker Dr. R.S. Despande, addressed the gathering, where his contemporary talk covered the importance of informal financial sources and its effects on Micro Business. Followed by it our Principal Dr. Rekha Sethi, delivered felicitation, than concluded with vote of thanks by Mr. Tony Lazarus Prem Kumar (HOD, Management Studies).

The first plenary session started at 10:30 am and was chaired by Dr. K. Kishore, Assistant Professor of Commerce, Voorhees College, Vellore – Tamil Nadu, India. The paper presenters presented papers on different topics. Then the session concluded for lunch between 1:15pm and 2:00pm. The second plenary session started at 2:00pm and was chaired by Dr. G. Ramesh Pandi, Head and Associate Professor, Kalasalingam Academy of Research and Education (Deemed to be University), Viruthunagar District, Tamil Nadu. He then delivered his plenary session talk, and then the paper presenters for the afternoon session presented their papers between 2:00 p.m. and 3:30 p.m. Then the formal valedictory session was started and presided over by our Principal, Dr. Rekha Sethi, and Ms. Kasturi. L (HOD UG Commerce) delivered welcome address.

The conference report was presented by Ms. Shamala, and then the best paper presenter award was announced with certificate distribution. Finally, the one-day National Conference came to a conclusion with the National Anthem.

DEPARTMENT OF MANAGEMENT STUDIES

Review of strategic plan 2022-2023

- Students were encouraged to participate in various academic and nonacademic activities.
- Coaching for higher studies for BBA Students.
- Guest lecture for the BBA Students.
- Conducted various competitions related to management, where students actively participated.
- Students were encouraged to participate in other college fests and other competitions.
- Assignments Role Play & Case Studies
- Project work was allotted for students in groups.
- Regular class tests were conducted to ensure better understanding and performance.

Strategic Short terms Plans for the year 2022-2023

- Instillation of Management Forum.
- Identifying slow learners & arranging coaching Class.
- To organizing outreach programme.
- Continuation of Management Fest for young minds.
- Cater the needs of outgoing students by providing coaching for competitive examinations.

Strategic Long term Plans for the years 2022-2027

- Management Lab Exclusively For Management Students.
- Provide VAP for Finance & Marketing group.
- Major and Minor Industrial Visit.
- Industrial Project & Specialization Project Reports.

NATIONAL WEBINAR ON ENTREPRENEURIAL MANAGEMENT 2023

Department of Business Administration Organized One Day National Level Webinar

on“Entrepreneurial Management”. Date: 29th May 2023

Resource Person: Dr. R. Sunderaraj, Assistant Professor, Department of Commerce, Ayya Nadar Janaki Ammal College, Sivakasi, Tamil Nadu.

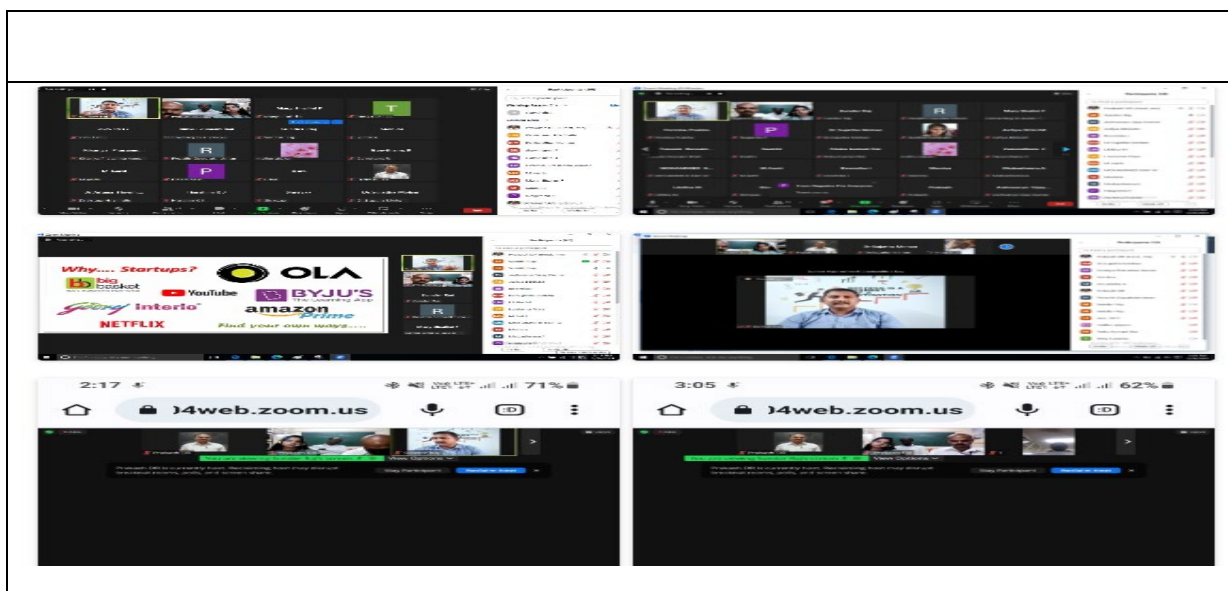

No of attendees: 100

About the session: Webinar focused on recent Trends in Entrepreneurial Management, small startups and funding agencies.

Objective

1. To bring in awareness about recent Trends in Entrepreneurial Management
2. To gain knowledge on business startups.
3. To gain knowledge on Funding agencies.

Outcome: Participants understood the essentials of Entrepreneurial Management, Business Startup, Funding Agencies and Recent Trends.

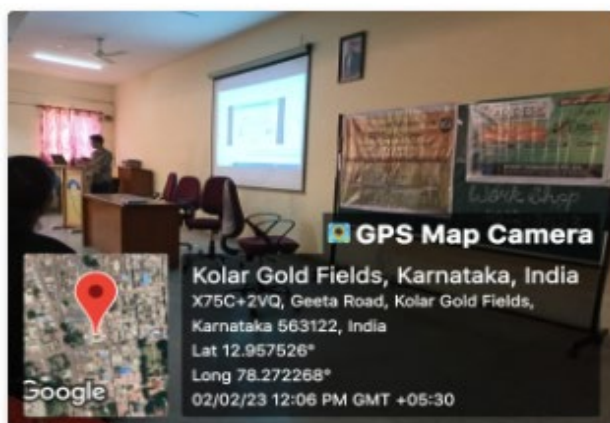

VALUE ADDED PROGRAM

The Department of Management Studies, organized Value Added Programme for 3rd Sem and 5th Sem BBA Students. dated from 1st Feb 2023 to 7th Feb 2023. **On the topic “Data Analytics**, a scheduled Five days certified Course conducted by Mr. Nagaraj (Trainer, IT Desk, Bangalore) and Mr. Vandhan (Trainer, IT Desk, Bangalore), the course provided a detailed insight about the Data Analytics.

The course covered various topics like

1. Power BI
2. Advanced Excel
3. Python
4. My SQL
5. Numpy in Python
6. Pandas in Python

INDUSTRIAL VISIT

Department of Management Studies had Organised short INDUSTRIAL VISIT to Deccan Hydraulics Pvt. Ltd Dasarhosahalli, Bangarpet. on Wednesday, 8th February 2023.

Around 47, 2nd year BBA students participated and accompanied by two faculties Mr. Prakash, Assistant professor and Ms. Kiranya, Assistant professor.

CERTIFICATE PROGRAM ON INTERIOR ARCHITECTURE DESIGN, GRAPHIC DESIGN AND FASHION DESIGN

The IQAC Cell, Department of Commerce and Management Studies in association with Dream Zone Bangalore organised Certificate Program on interior architecture design, Graphic Design and fashion design from 25th July 2022 to 4th August 2022.

Total : 240 students participated

Duration: 35 Hours.

CHEF KINGS – 2022

Chef King is an entrepreneurial skill exhibition cum fund raiser for the mega event “Joy of Giving” was organized by the Department of Management Studies and Management Forum at the college campus on 20th of July 2022, in which not only the students of BBA took part but also students and faculties from other streams actively participated. The event was inaugurated by Dr. RekhaSethi principal, Sri BhagawanMahaveer Jain First Grade College.

FIELD VISIT

Organized Field visit to 1st Sem BBA students

Date : 26th December 2022

Venue : MG market Robertsonpet KGF

Subject : Marketing management

Event coordinator: Sujatha Mohan

No of attendees: 78

OBJECTIVES:

- 1 To bridge the widening gap between theoretical learning and practical exposures
2. To bring in awareness about marketing segmentation
3. To gain knowledge about marketing function

OUTCOME:

The students practically understood market segmentation plan and their functions and got knowledge about marketing goals and activities. It enhanced the students to understand the subject in a better way.

INDUSTRIAL VISIT

Date : 6th May 2023

Industry : BEML. KGF

Class : 2ndsem BBA

Subject : Human Resource Management

No. of students : 50

Event Coordinator: Sujatha Mohan

OBJECTIVES:

1. To bridge the widening gap between theoretical learning and practical exposures .
2. To learn Interpersonal skills enhancement
3. Learning experience
4. Management lessons
5. To know working environment
6. To enhance employability
7. Make students aware with industry practices and enhance career prospects

OUTCOME:

Opportunity to interact with industry experts, professionals, policymakers who share their wisdom learning and experience. Interaction is useful to the students in their careers and help them to develop leadership qualities and management skills.

PACKAGING EVENTS

Date: 16TH November 2022

Class: 2ndsem BBA

Subject : Marketing Management

No. of students : 65

Event Coordinator: Sujatha Mohan

OBJECTIVES:

1. Helps brand understanding how well their pack performance on shelf.
2. To identify what motivates consumers to select one product over other
3. To understand the likely success or failures of a packaging design

OUTCOME: The event helped the students to understand what effect a change in packaging is likely to have and how any new packaging can be further optimized to achieve success.

PRODUCT PACKAGING and ADVERTISING EVENTS

Date : 6th December 2023

Class : 1st sem BBA

Subject : Marketing Management

No. of students : 78

Event Coordinator : Sujatha Mohan

Objectives:

1. Helps information about the product including how to use it, ingredients it contains and expiration dates.
2. Helps to learn how it shapes the customers first impression in purchasing
3. Awareness of brands, products services and ideas
4. Educate about the attributes and benefits of new or established products

Outcome: The lesson introduces students to the way in which packaging and design attracts the customers. It helps to understand 4 C's principle. Customer, cost. Convenience and communication.

DEPARTMENT OF COMPUTER SCIENCE

Review of Strategic Plan (2022-23)

- Result have improved and achieved university rank
- Conducted Guest Lecture
- Conducted Extension Activity
- Soft Skills & Personality Development
- Invited as Resource person
- Paper Publication from both faculties and students is increased
- Organized webinars on new technologies

Short Term Strategic Plan (2022-23)

- Paper Publications
- New Technology based assignments
- Conducting Guest Lecture and National Seminar Student ++ Forum
- Soft skills & Personality development
- Alumni Seminar
- Outreach Program
- Webinar on new technologies

Long Term Strategic Plan (2022-27)

- Increase national and international recognition of the department.
- Broaden the scope and involvement of faculty in interdisciplinary research.
- Offer the students ability to go beyond coursework and explore additional possibilities in computer science.
- Improve the societal impact of the faculty and department.
- Aim to give University Academic Ranks.
- Inter College Competition (Techno Confluence) .
- Research and publications.
- ICT based Learning & Teaching.
- Faculties Phd Registration Expand opportunities to experience inter cultural study/work travel Expand our range of experiences and applied learning offerings including expanded learning.
- Develop innovative programs that meet the needs of diverse students.

**The Department Of Computer Science Organized E-Waste Management
On 28th January 2022**

Chief Guest: Dr. Rekha Sethi Principal, SBMJC-K.G.F

Guest of Honor: Dr. L.Jayapandian IQAC Coordinator

Judges: 1.Mr. A.Kalai Chelvan HOD, Dept. Of Physical Science

2. Mr.Muniraja D.K Asst. Professor Dept. Of Physical Science

Event Coordinator: Mr.Umesh N Asst. Professor Dept. Of Computer Science

Total No of Students Participated: 30

Total No of E-waste Models: 10

Venue: Open Auditorium

Chief Guest Note: Spoke about the E-Waste and advantages of it and motivated the students using new technology invent new devices, appreciated all the students models done using E-waste and spoke about collect the E-waste form students and send it to recycle instead of thronging it in garbage.

Madam spoken about drawback of E-waste if we through it in garbage it create air pollution and it affects human health.

Objective of the Program: The major objective of e-waste management is **to reduce, reuse, and recycle**. Some of the e-waste consists of valuable covering or materials inside which can be reused or recycled. Whereas some of the e-waste may contain hazardous chemical materials which should be disposed of carefully without causing harm to nature.

Models Done by Students Using E-waste:

- **Iron Man:** Components used Motherboard, Keyboard keys and LED lights data cables & sata cable.
- **Miniature:** Components used: Resistors, Capacitors, inductors, diode, Transistors, Heat sink, Breadboard, IC'S, CD.PCB Board, Keyboard keys & Aux port
- **Drone:** Components used: Keyboard keys, Motor, cell, receiver board & Joystick.
- **Samurai Robot (SR)2:** Components Used: Mother board, Keyboard, CPU Fan, Cables, LED Lights, SMPS & CPU Cabinet.
- **Dragon:** Components Used: Keyboard Keys & Mother board.
- **Owl :** Components Used: Keyboard keys, CD & Wires.
- **LED Flower vas: Components Used:** Copper wires, bulb holder, LED, & Battery.
- **Clock:** Components Used: CD Drive, CD & Keyboard keys.
- **Wireless receiver Car :** Components Used: Transmitter board, Receiver board, Motor, Wheels, Keyboard Keys, & Battery.

Invitation card : Components Used: Keyboard Keys, CPU Fan, Mother board, Aluminium wire & diodes

Outcome of the E-waste Program: **E-waste recycling is necessary but it should be conducted in a safe and standardized manner.** The acceptable risk thresholds for hazardous, secondary e-waste substances should not be different for developing and developed countries

The Department of Computer Science HOD Mr. Siddarama S and Mr. Umesh N, Asst. Professor Attended workshop.

Discussion – Blow Up Syllabus (NEP-2022) at GOVERNMENT FIRST GRADE

COLLEGE, K. R PURAM, BENGALURU In Collaboration with BENGALURU NORTH UNIVERSITY, TAMAKA, KOLAR

An Initiative – Science Forum On 19th February- 2022

The adoption of NEP by the DCE as envisioned by the central Government has been a revolutionary change in the academia. This step presupposes major structural shifts in the courses offered. The thrust is mainly on multidisciplinary programs with the introduction of open electives. It is also skill oriented and job oriented. The open electives to be opted are based on the principles of cross course choices. A significant change has been made with increasing the internal assessment marks. The highlights of this is the flexibility offered to the students to obtain the marks through the enrolment for MOOCs. The system is geared towards blended teaching and learning. Importance to the economic aspects with flexibility to earn and learn is a major change with multiple entry and exit opportunities. Recognizing the importance for teachers' orientation to attune themselves to the new system, a one day workshop on NEP –Issues, implications and challenges has been organized in collaboration with Bangalore North University.

CHIEF PATRONS PROF. NIRANJANA VANALLI

Honorable Vice-Chancellor Bangalore North University, Tamaka, Kolar.

SRI. VENKATESHAMURTHY V. KAS(s)

Registrar (Academic), Bengaluru North University, Tamaka, Kolar

PROF. D. DOMINIC

Registrar (Evaluation), Bengaluru North University, Tamaka, Kolar

DR. K R MUDHUKRISHNA

Dean, Faculty of Science, Bengaluru North University, Tamaka, Kolar

PROF. PRATHIBHA PARSHWANATH

Principal, Government First Grade College, K.R.Puram, Bengaluru

Minutes of the Meeting About NEP

- Core Subject Discussion
- Open Elective Subject Discussion
- Question Paper Pattern Discussion
- Digital Fluency Question Paper Discussion
- Practical Subject Discussion

**THE DEPARTMENT OF COMPUTER SCIENCE INSTALLED NEW SYSTEM IN
LAB NO-2ON 29TH NOVEMBER 2022**

Total no of Systems: 35

Chief guest: Dr.RekhaSethi, Principal SBMJC-KGF

Guest: Mr.Babu Office Superintenden

Mr. Murthy Sir Finance Department

System Configuration:

HP company Ram 8bg DDR 4
515 NVME SSD
I3 Intel Processor
Model hp 280 pro G8 micro tower PC

Software Installed:

Turbo C++, Java, Python, Tally, Vb, Oracle 10g, Windows 10 OS, Office 7, Visual studio, Micro processor, Flogarithm, Anti Virus

Guest Speak:

Madam addressed about lab infrastructure and motivated students to join certificate diploma course like Data Science or Cloud Computing.Madam also instructed to the students do and don'ts in the computer lab and how to maintain system given instructions.

**THE DEPARTMENT OF COMPUTER SCIENCE FACULTY AND STUDENTS
PRESENTED PAPER & ATTENDED IN NATIONAL CONFERENCE.**

Organized By: New Horizon College Kasturi Nagar Bangalore

On: 17th December 2022

Theme of Conference: Innovative & Emerging Trends In Science & Technology[NCIETST-2022]

Total No of Students Attended: 30

Total No of Faculty Presented Paper: 01

Total No of Students Presented Paper:01

Objective of the National Conference:

To bring the awareness of the new technology and Emerging Trends In Science and Technology and how to do research and project in emerging technology. To create awareness of research related to social problems and how to overcome with new idea and solution so we can solve social related problems using technology.

The Department HOD, Mr.Siddarama S Presented and Published Paper in National Conference

Title of the paper:A Study on the 7 Layered Architecture of the OSI Model.

Published Journal Name: Transstellar Journal Publication and Research Consultancy Private Limited Cheanni. ISBN: 978-93-93769-39-8.

Student Presented on National Level Conference: Mr.Karthik Nag From Final Year BCA Student.

Title of the Paper: Internet Of Things [IOT]

The Department of Computer Science Organized Extension Activity Outreach Programme.

On: 17th August 2022 To 24th August 2022

At: Kyasambally Rural Education Trust

Rural Nursery Higher Primary High School -Kyasambally, K.G.F

Total No of BCA Students Participated: 100

Total No of Teaching Hours: 30

Faculty Coordinators:

Mr.Siddarama S & Mr, Umesh N, Asst.Prof.Dept.Of Comp.Sci-SBMJC-K,G,F

Objective of the Outreach Program:

1. To create awareness of computer knowledge.
2. To teach basics of computer Software and Hardware.
3. To inform importance of computer in present day.
4. To motivate the students become a software engineer
5. To develop how to become self-employed.

The purpose of outreach is to strengthen a **bond between the science community and the local community**. Here, experts from various fields have a chance to interact with the representatives of the local community and explain how the work they do impacts their everyday life using technology.

The Department of Computer Science Outreach Program focuses on teaching High School Students **Computational Thinking**. Computational Thinking is a critical thinking skill that, according to some, is a required skill for success in the 21st century. For most students, exposure to computational thinking as a problem-solving tool.

DEPARTMENT OF PHYSICAL SCIENCE

Review of Strategic Plan (2021-2022)

- Achieved 89% pass result.
- Organized webinars on **Role of IP and its Significance** and **An Over View on Research Strategies** in association with Life Science Department and Research Cell.
- Organized student's seminars on the topics - Inter Personal Skills, Cases registered against Cybercrimes, Atmospheric Physics, and Environmental Pollution.
- Mr. Muniraja, Department of Physical Science cleared the KSET exam.
- Organized **National Mathematics Day** and **National Science Day**.

Short term strategic Plan (2022-2023)

- To organize more inter departmental activities and Science Fair/Science Exhibition for school students at District level.
- National Science Day and National Mathematics Day will be celebrated in the department.
- Expert lectures series by the eminent resource persons will be organised to aware the students about the recent developments in the different streams.
- Visits to National laboratories/Institutes will be organized as educational excursions.
- Extension programmes will be organised at varies rural government school.
- Smart boards, overhead projectors, flipped classrooms, and other innovative teaching and learning techniques will be implemented in the classroom.
- Alumni will be invited for the career counselling of the students in the department.
- Faculty and students will be encouraged to undertake interdisciplinary research.

Long term strategic Plan

- Job oriented certificate courses will be induced through MoU from reputed training organizations.
- Efforts will be made to organize National conference.
- Staff members will be encouraged to present/publish research papers in UGC care listed journals.
- Inculcating research skills among the students and to presenting their research in writing and in oral.

NATIONAL MATHEMATICS DAY 2022

National Mathematics Day is celebrated on **22nd December** every year to commemorate birth anniversary of the legendary Indian Mathematician **Srinivasa Ramanujan**.

The Department of Physical Science organized National Mathematics Day by conducting various competitions for Degree(BSc-PMCs) and PUC(PCMB/Cs) students on 22/12/2022.

The following are the competitions conducted.

1. Sudoku
2. Crossword
3. Maths Puzzle
4. Chrome art
5. Quiz

CERTIFICATE COURSE ON DATA SCIENCE

The Department of Physical Science conducted a certificate course on Data Science to I, II and III year BSc - PMCs students from 26/12/2022 to 05/01/2023 for 40 hours duration. Resource person was Ms. Jyothi, from IT Desk, Bangalore.

Syllabus covered in the course was Python, Numpy, Pandas, Matplotlib, ML, DL, IP and Advd exceExcel.

NATIONAL SCIENCE DAY 2023

National Science Day is celebrated in India on 28th February every year with a theme to mark the discovery of the Raman Effect by Indian physicist Sir. Chandrasekhar on 28th February 1928. The theme for the present year 2023 is “**Global Science for Global Wellbeing**”.

Science Club of Science Departments organized National Science Day, on 28th February 2023, on this occasion the Chief Guest was **Dr. Rekha Sethi**, Principal SBMJC, KGF. Mr. Kalai Chalvan, Head, Department of Physical Science and Secretary of Science Club spoke on the theme, Science and its technology used globally for the wellbeing of the globe. Five Competitions were organized on the day for B.Sc PMCs and BGB students, about 80 students participated in one or more competitions. Prizes and Certificates were distributed to the winners.

Competitions were

1. Memory Test
2. Quiz - Basic Science
3. Chrome Art – Save Environment
4. Drawing – Global Warming and its effect

A National Webinar on the Topic "Diverse Approaches for the Synthesis of Nano Particles"

The Department of Physical Science, in association with IQAC and Research Cell, organized a National webinar on the topic "Diverse Approaches for the Synthesis of Nano Particles" on 31/05/2023. The resource person was Dr. Y. S. Vidya, Head, Department of Physics, Lal Bahadur Shastri Government First Grade College, R T Nagar, Bangalore. She was a recipient of a Young Scientist Award by VGST, the Government of Karnataka in 2014-2015. She spoke about different methods for the synthesis of Nanoparticles like Combustion, Sol-Gel, Chemical Co-Precipitation, Chemical Vapor Deposition method etc and their merits and demerits.

198 students, Research Scholars and faculty of various colleges from different states, like Andhra Pradesh, Telangana, Tamilnadu and Karnataka, registered and took part in the webinar. E-certificates were provided for the participants.

The screenshot displays a Google Meet interface during a webinar. The central focus is a PowerPoint slide titled "TYPES OF NANOPARTICLES". The slide is divided into four quadrants, each representing a different dimensionality of nanoparticles:

- Zero-dimensional (0-D):** Examples include Composite nanoparticles and particles arrays. Application: Semiconductor Quantum Dots, Supercapacitor electrodes, biomaterials.
- One-dimensional (1-D):** Examples include Nanowires and Nanorods. Application: Computer chips, Antireflection and hard coatings on sunglasses, Thin film information storage systems, biological sensors, Fibre-optic.
- Two-dimensional (2-D):** Examples include Carbon coated nanotubes, Filter layer films, Carbon coated nanofibres, and Catalytic particles. Application: Solar photo-catalysis, Components of PC, mobile phone, Electronic structures, Semiconductor membranes.
- Three-dimensional (3-D):** Examples include Fullerenes and Layers of fibres. Application: Photocatalysis, Membrane crystals, Pharmaceutical membranes.

The right-hand side of the screen shows a grid of participant video thumbnails. Visible names include Dr. Vidya, anitha clarin, Jeevitha Jeevi, ARUNA N, Kantharaj k s, Changa Reddy, KIRAN KUMAR R, 56 others, and You. The bottom of the screen shows the system tray with the time 2:48 PM and date 5/31/2023.

DEPARTMENT OF LIFE SCIENCE

NATIONAL WEBINAR on "Recent Trends in Research and Advancement in Diabetes Mellitus"

The Department of Life Science in association with Research Cell organized a National Webinar on "Recent Trends in Research and Advancement in Diabetes Mellitus" on 24th May 2023. The Resource person for the session was Dr. Veeraraghavan, Professor, School of Allied Health Sciences, Department of Biochemistry, REVA University, Bengaluru. 112 participants participated in the webinar using Google Meet online platform and gained knowledge on Recent Trends in Diabetes Mellitus.

DEPARTMENT OF ENGLISH

Review of Strategic Plan 2022-2023

- Competitions were held to enhance their innovative skills
- Role of the lessons was done in the class-room
- Grammar part concentration was highlighted

Short Term strategic Plan 2023-2024

- To make the English Literary Club more vibrant with innovative activities
- To encourage enthusiastic student participation in curricular and extracurricular activities
- To include dramatization of the lessons to improve students' communication skill
- To enhance the reading skills

Long Term strategic Plan 2022-2027

- Conducting bridge courses at the beginning of each academic year
- To enhance soft skills and communication skills of students, both spoken and written
- To conduct guest lectures and seminars at regular intervals
- Use of internet and technology in teaching and learning
- Presenting and publishing research articles
- Getting better results

STUDY ABROAD ORIENTATION PROGRAM

DATE: 07.09.2023

TIMING: 11.30 AM – 1.00 PM

Rotaract Club of SBMJC-KGF in collaboration with the Big Leap organized Study Abroad orientation program for the students where they provided complete information about the education process across the world which was more helpful for the students to choose, start their career at a right time.

Around 200 students participated in this event.

The Guest for the event were:

1.Mr.Amith Rathor (Director)

2.Ms.Neha (Head Operations)

We the Rotaract Club of SBMJC-KGF has successfully completed the 8th installation of President and Office Bearers and members for the Rota year 2023-24.

The Chief Guest for the event was

1.Rtn.S.Abilash Karthik(President of Rotary KGF)

2.PP.Rtr.Rtn.Arun Teja Godhavarthi (District Rotaract Representative)

The Guest of Honor

1.Dr.Rekha Sethi (Principal)

2.Rtn.Saritha Balaji(Assistant Governor)

3.Rtn.Narasmiha Murthy(Secretary of Rotary KGF)

PICK AND SPEAK COMPETITION

DATE: 17.11.2023

TIMING: 2.00 PM to 3.30 PM

VENUE: Auditorium

We the Rotaract Club of SBMJC - KGF organized pick and Speak competition. The students participated enthusiastically. They topic spoke on various wide ranging topics related to current affairs like Impact of social media, Environmental Pollution etc. It provided the students an ideal platform to hone their public speaking and communication skills. Such competitions help students in their holistic.

Event Chair:

Thanuja Saravanan (BCA 2nd year)

Event Co-Chair:

Krithika.D (BCA 2nd year)

Event Judges: i. Mrs.ElisabethRani(Department of English)

ii.Mr.Hemanth (Department of Commerce)

DEPARTMENT OF KANNADA

Review of Strategic Plan

- ❖ Conducted Kannada Sobagu-2023 on 04th January 2023
- ❖ Conducted Kannada Sangha KGF, Kannada Shakti Kendra Kolar District, SirigannadaVedike Kolar District in association with Sri Bhagawan Mahaveer Jain First Grade College, Department of Kannada, K.G.F, organized NadojaDr.G.Narayana Centenary Commemorative Symposium on 5th August 2023.
- ❖ Conducted National Webinar on Basic Concepts of Research in Kannada on 26th May 2023.
- ❖ Attended and presented a paper in Webinars/National Level Seminars.
- ❖ Results have improved in all the courses.

Short Term strategic Plan

- ❖ Computer aided teaching and learning
- ❖ Remedial coaching classes for slow learners
- ❖ Organize Special Lectures
- ❖ Organize Open- Book Test
