Over view

The institution has seen significant progress in the attainment of its strategic goals ever since the inception of the Internal Quality Assurance Cell (IQAC). In the beginning of each academic year, the IQAC creates the calendar of events of various departments. The IQAC assists faculty members in planning academics and enhancing academic deliverance by adopting suitable teaching methodology. It trains and encourages the faculty members to upgrade their teaching skills. The IQAC guarantees additional coaching in the form of Remedial and Bridge classes to the needy students. The IQAC offers a variety of experiential learning modes like Industrial visits and field-based and internship-based learning it records the incremental growth of the students' holistic development through mentoring. The IQAC records the learning outcome through the Programme Specific Outcomes. Internal Assessment tests and assignments are held at regular intervals during each semester to monitor the student's academic progress. It organizes Parent-Teacher Meeting to update the ward's academic performance. The institution organizing workshops, conferences, encouraging paper publications. Which has helped them in up gradation of knowledge, skills and to promote professional practices. It monitors participation in internships or research projects through research cell which supports research projects starting at the undergraduate level. The IQAC has devised assessment methods for the faculty member's performance through implementation of performance appraisal system. The feedback from the students, alumni, industry experts and other stakeholders are taken periodically. The suggestions obtained are reviewed and the necessary action taken. IQAC institutionalizes the best practices adopted by the various departments.

Orientation Program on NPTEL

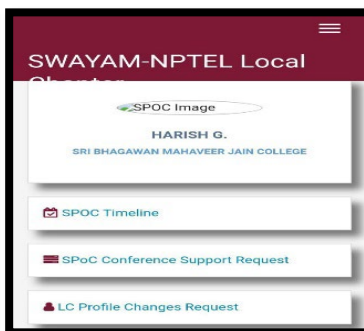

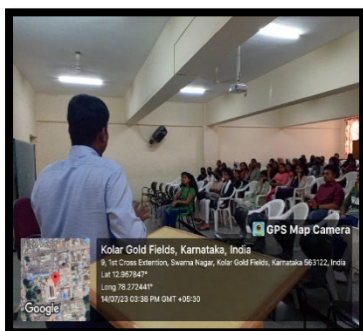

14th July 2023

A NPTEL awareness program was conducted for the students of First year B.com, BBA, BCA, BGB and PMCS ON 14th July 2023. A total of 150 students attended the session. The session was conducted by Mr. Harish G Asst Professor Department of Commerce (SPOC and NPTEL coordinator)

The session focused on the procedure to enroll for NPTEL courses, how to submit assignments and fill examination forms as well as the timeline for July 2023. Students were given an idea regarding NPTEL Certificates, fee waiver benefit for SC, ST and low-income students.

Students were motivated to strengthen their learning and career paths by joining the online courses and stated how today's digital era can provide education to every mind that wishes to learn and grow.

Senior students who completed the NPTEL Courses shared their learning and exam experience encouraged juniors to overcome the fear of exam.

National Level Webinar on Intellectual Property AI and ML

26th May 2023

The IQAC Cell in association with Computer Science organized National Level Webinar on the topic: Intellectual Property AI and ML on 26th May 2023

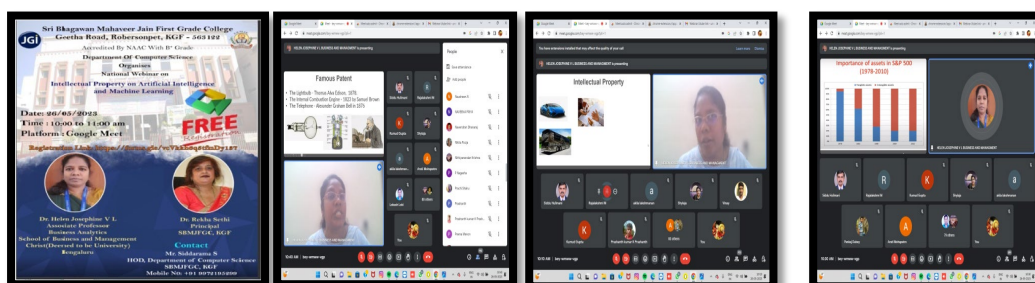

The main Objective of the webinar: Intellectual property (IP) systems have been designed to incentivize human innovation and creation. Until very recently such innovation and creation was one of the defining characteristics of the human species.

As artificial intelligence (AI) continues to emerge as a general-purpose technology with widespread applications throughout the economy and society, this poses fundamental questions that sit at the heart of the existing IP systems. Does AI innovation and creation need IP incentives? How should the value of human invention and creation be balanced against AI innovation and creation? Does the advent of AI require any changes to the existing IP frameworks?

648 students were registered.

Resource Person Spoke about:

- Intellectual Property Rights (IPRs) are the rights associated with intangible property owned by a company or person and protected against use without consent.
- Rights relating to ownership of Intellectual property.
- Aim to protect Intellectual Property (Creation of human Intellect) by allowing the creators of trademarks, patent, or copyrighted works to benefit from their creations.
- Need of IPR: Encourages innovation, Economic growth, Safe guard the rights of creators, Ensure ease of doing business, facilitating the transfer of business.

PARENTS TO NOTE

This Academic Evaluation Cumulative Record Book is provided to every Student irrespective of Course and Combination after every Internal Semester Examination held in the Institution.

The parents are appealed to closely monitor their wards progress in academics and non- academics by going through the record book in detail and also discussing the progress with the concerned subject Faculty Members, Class Teacher, Principal and Ward.

Parents are appealed to duly sign and return the record book within three working days, without fail.

Parents are allowed to meet the Principal during any part of the day on all working days from Monday to Friday between 10.00 a.m. - 3.00 p.m. Those Parents who wish to meet the Subject Faculty members / Class Teacher can do so on prior appointment with the concerned during their free time.

Any grievances should be addressed to the Principal in person, either by the students or the parents, for early redressal of the same.

Every Parent is advised to contact the Office if they do not receive the wards Academic Evaluation Record Book after every Examination.

I, do hereby declare that the above note to me has been read and understood in full. I will take up this issue seriously and would supervise that my ward will do well in his/ her academics.

MINITUES OF THE MEETNG

Dr. Rekha Sethi, Principal and Chairman addressed the gathering and spoke on the existing Code of Conduct for Staff and Students and the way it should be implemented by the committee through various programmes in association with other cells and forums. Most of the members suggested the following:

- Students should be instructed to dress themselves in a simple and decent manner.
- All students should wear the ID cards as mandatory.
- Students should be allowed to class in time and not at the middle of the class.
- Use of mobile phones should be strictly prohibited inside the college.
- Awareness programme can be conducted against discrimination (physical or verbal conduct) based on an individual's gender, caste, race, religion or religious beliefs, colour, region, language, disability, physical or mental disability, etc
- Awareness to be brought to students to switch off lights and fans before leaving the classroom to save energy.
- The college can organise the usual programmes related to Ethics and Values; like Independence Day, Republic Day, Gandhi Jayanthi, Teachers Day, Science Day, Dr. Ambedkar Jayanthi, Youth Day etc.
- Two to three programmes on Anti Raging can be done from Anti Raging Cell.
- Two to three awareness programmes on Sexual Harassment can be done from Anti Sexual Harassment Cell.
- Orientation Programme can be done from Cultural Forum.

Department of Computer Science

Title of the Practices	Encouraging the students to participate in industry oriented competitions like IBM, Code vita of TCS and Competitions of Microsoft etc.
Objectives of the Practice	Expose the students towards real world problems and encourage them to propose novel solutions
Content	Most of the software industries claim that most of the degree students coming out of the respective colleges are not having enough skills to get employment. They claim that degree curriculum is not considering the industry needs. The industry has to spend considerable amount of their resources and time for extending training to their fresh employed graduates.
Actual Practice	Department get benefit to explore real time projects and problems through mentors. Students get benefit of exploring state of art tools and technologies and Industry can greatly reduce resources
Evidence of Success	Some of the students got training is getting offer letters from various IT companies for joining on the basis of course completion before the results are declared
Obstacles	Making them to realize to put extra effort beyond curriculum was a real challenge
Strategies Adopted	Conduct of workshops and conferences periodically on thematic areas

Department of Physical Science

Title of the Practices	Certificate course on "Data Science"
Objectives of the Practice	Students will demonstrate proficiency with statistical analysis of data. Students will apply data science concepts and methods to solve problems in real-world contexts and will communicate these solutions effectively.
Context	Data science is an interdisciplinary field that includes math, programming, business, and domain knowledge to tackle difficult data problems. With the help of data science technology, we can convert the massive amount of raw and unstructured data into meaningful insights
Actual Practice	<ul style="list-style-type: none">The course was selected after careful evaluation of its content, productivity, and market relevance. The courses was offered to all BSc students.
Evidence of Success	<ul style="list-style-type: none">Students learnt data visualization which is used to represent the given data in graphical form.Student with this course can play a job role of data scientist, data analyst etc in any company.
Resources Required	<ul style="list-style-type: none">Resource personsSpace for conduct of sessionsInternet facility to facilitate teachingFunds for printing of Certificate
Obstacles	<ul style="list-style-type: none">One of the primary challenges in data science is finding and accessing the right data for analysis.As organizations continue to generate increasingly large volumes of data, data scientists face the challenge of handling and processing these massive datasets. A high variety of information & data is required for accurate analysis.
Strategies Adopted	<ul style="list-style-type: none">The benefits of the course were discussed with the students prior to their participation. The market's demand for this course led to the decision to choose it as students will be placed in reputable companies.

Department of Life Sciences

Title of the Practices	World Diabetes Day 2023
Objectives of the Practice	To create awareness on Diabetes Mellitus and its prevention
Content	World Diabetes Day is an opportunity to raise awareness about the impact of diabetes on the health of people and to highlight the opportunities to strengthen the prevention, diagnosis, and treatment of diabetes
Actual Practice	Tested blood sample for the determination of blood sugar level and educated the public about impact of Diabetes Mellitus and equitable access to essential care.
Evidence of Success	Public actively participated in the camp and tested the blood sample to determine BSL and also checked BP
Obstacles	Less number of participants in the camp due to poor response of the public
Strategies Adopted	Preplan is required to organize the camp to increase the participants.

Library and Information Centre

Title of the Practices	BOOK WEEK
Objectives of the Practice	To create awareness about the library resources and to improve Reading habits for the students.
Content	Sufficient space to exhibit collections, Notice, Brochures and Faculty co-ordination.
Actual Practice	Library displayed all the reference books, rare books, cartographic materials, cds, posters and other resources which are available in the library during the Book week. The books were displayed for the period of one week and time was allotted for the individual classes. In the allotted time for the students & the faculty members visited the library and feedback were collected for the improvement. It brings awareness on the library resources & its utilization.
Evidence of Success	Students & Faculty have expressed their views in various forms of awareness they have obtained their ideas and skills
Obstacles	Routine library Routine library circulation is affected and also it was very difficult for the library staff to arrange the books and other resources.
Strategies Adopted	Library took help from Library advisory committee members at any time in case of emergency.

STRATEGIC PLAN

Strategic planning is an integral component of good management. The strategic plan chart directs and guides the processer. The Institution can develop strategies and action plans are implemented to accomplish and achieve goals and objectives every year. These action plans together with performance measures provide the strongest links between the academic years. The purpose of planning is to improve the chances of reaching the desirable possible outcomes.

A strategic plan is a practical action oriented guide. It develops a clear statement of the Institution's mission the vision indentifies a set of goals and objectives it formulates key strategies

that address those factors that are essential for the institution's success. Key strategies also indicate the major undertakings that will reposition the Institution for the future.

Vision

To make SBMJC-KGF, a nurturing ground for holistic development of the young mind, by providing intellectual nourishment and wholesome education to develop emotional stability and strength to respond creatively to the challenges of work full of relentless competition.

Mission

To develop SBMJC-KGF into a campus of excellence, to strive for continuous improvement, to provide quality education, to help students achieve good career and all round development of personality. To face the challenges of relentless competition

Department of English

Review of Strategic Plan 2022-2023

- Competitions were held to enhance their innovative skills
- Role of the lessons was done in the class-room
- Grammar part concentration was highlighted

Short Term strategic Plan 2023-2024

- To make the English Literary Club more vibrant with innovative activities
- To encourage enthusiastic student participation in curricular and extracurricular activities
- To include dramatization of the lessons to improve students' communication skill
- To enhance the reading skills

Long Term strategic Plan 2022-2027

- Conducting bridge courses at the beginning of each academic year
- To enhance soft skills and communication skills of students, both spoken and written
- To conduct guest lectures and seminars at regular intervals
- Use of internet and technology in teaching and learning
- Presenting and publishing research articles
- Getting better results

About Us

Sri Bhagawan Mahaveer Jain First Grade College at Kolar Gold Fields is the 21st constituent of the Jain Group of Institutions. Established in the year 2004, it has crossed several barriers effectively on its way to impart quality education, possessing undisputable physical infrastructure and learning models. The institution completes 18th academic years and is looking forward towards taking one more challenge to its stride in providing education with quality, styled to reach the mass with limited time and available resources.

Achievements are big enough to be dreamt and successive dreaming, leads to achievements over a period of time.

The Institution has been able to make remarkable progress and evident achievements in academics, event management, academic evaluation and results, quality in leadership, learning outcome with the use of infrastructure, the basic set of guidelines and the way of looking at various aspects.
