Domlur, Bengaluru-71
And
Sri Bhagawan Mahaveer Jain First Grade College
Geetha Road Robertsonpet Kolar Gold Fields- 563122

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING (hereinafter referred to as "MoU") is entered into on the 20th June 2020. The duration of the MoU is from 20th June 2020 to 21st June 2023 by and between

Sangene Biotech, company incorporated under the Companies Act, 1956, having its registered office at #24/A, Rama reddy road, Krishna Reddy Colony, Domlur Layout, Bangalore 560 071, represented by **Dr Prasad MP**, hereinafter referred to as "Sangene Biotech", which expression, shall unless repugnant to or inconsistent with the context mean and include its successors-in-interest and assigns of the ONE PART;

AND

Sri Bhagawan Mahaveer Jain First Grade College, Geetha Road, Robertsonpet, Kolar Gold Fields - 563122

shall unless repugnant to or inconsistent with the context mean and include its successors-in-interest and assigns of the OTHER PART;

Both the parties are jointly referred to as "the party" or "the parties";

WHEREAS

Sangene Biotech and **Sri Bhagawan Mahaveer Jain First Grade College** recognizes their strengths in research and education in the discipline of Microbiology and their mutual interest in engaging themselves in academic, research and commercial cooperation.

Therefore, **Sangene Biotech** and **Sri Bhagawan Mahaveer Jain First Grade College** agree to establish a program for academic research and commercial cooperation in areas of mutual interest, and in accordance with terms and conditions set forth in this memorandum of understanding (MoU).

A. Objectives

The goal of this cooperation is to create a mutually beneficial relationship commencing with the use of the **Sangene Biotech** lab facilities for students of **Sri Bhagawan Mahaveer Jain First Grade College** undertaking programs and courses in Microbiology, and any other allied sciences. Further the parties will collaborate, provide opportunity for global experience and facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, commercialization and frequent interactions.

Both the parties agree:

- a. To exchange any relevant information on teaching, in research and educational programs once the relationship between the parties have advanced to that stage.
- b. To Offer Academic/Research Projects, and Training programmes relevant to their educational and research programs.
- c. To jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty and staff to participate therein.

Sangene Biotech and **Sri Bhagawan Mahaveer Jain First Grade College** mutually agree to the detailed terms and conditions that are identified upon by the two institutions in this Memorandum of Understanding. These terms include a technical description of proposed activity, financial arrangements, and person(s) responsible for its implementation.

ಬಿ L/5:

B. Lab facilities

Sangene Biotech will provide its lab facilities for undergoing **Academic/ Research Projects** and **Training**(Microbiology, Molecular Biology, Enzymology, Phytochemistry, Nanotechnology etc.)to the **Microbiology** students of **Sri Bhagawan Mahaveer Jain First Grade College** and also to the Faculty members of the above-mentioned stream for undertaking research activities to fulfill their **Ph.D** programmes.

C. Exchange of Scientific and Technical Material.

If applicable, the parties will exchange information on research and educational programmes and teaching/learning material and other literature relevant to their educational and research programmes. Further, the parties agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

Beyond the initial stage of the utilization of the Sangene Biotech lab facilities by **Sri Bhagawan Mahaveer Jain First Grade College** students, the parties will actively explore any joint commercial possibilities that may be identified, both in India as well as internationally.

NOW THEREFORE:

1. Roles and Responsibilities

Use of Sangene Biotech Lab facilities: Sangene Biotech will provide the lab facilities as required by **Sri Bhagawan Mahaveer Jain First Grade College** for its Students/Faculties undertaking **Academic/Research Projects** in Microbiology programs and other allied courses.

Sri Bhagawan Mahaveer Jain First Grade College will provide Students/Faculty who require experience in wet-lab instrumentation, Projects required under the Sri Bhagawan Mahaveer Jain First Grade College programs and courses.

2. Fees and Charges

The parties will mutually agree upon the fees and charges payable by students on an Individual basis. Each batch means the students from the Microbiology department from Sri Bhagawan Mahaveer Jain First Grade College . The fees and charges will vary from batch to batch and area of the project depending on the cost of the reagents, chemicals required and the usage of Instruments and overhead charges and service taxes as applicable by each batch undertaking specific projects and programs. The fees and charges will be payable to Sangene Biotech by Sri Bhagawan Mahaveer Jain First Grade College students.

3. Payment Terms

The fee charged by Sangene Biotech on agreement will be paid before the start of the work by the Sri Bhagawan Mahaveer Jain First Grade College Students

For any successful commercial venture entered into beyond the provision of the lab facilities by Sangene Biotech and Sri Bhagawan Mahaveer Jain First Grade College, the parties will explore any opportunities available, and will mutually agree to the fee split structure
