RESEARCH AND IPR CELL

The research cell is an integral part of our esteemed institution. This cell is one of the wings of the Institution which facilitates, channelizes, records and regulates all academic research activities in the Institution. It aspires to transform the innovative ideas to contribute for research at the academic level. The research cell was formulated with the guidance of the Principal Dr. Rekha Sethi. The research group consists of the following Coordinators and Student representatives.

OBJECTIVES

The objectives of the research and IPR cell are as follows:

- To enhance the quality of Research
- To promote multidisciplinary research projects in various departments of the institution.
- To promote the publication of research papers in conferences and journals with ISSN and ISBN.
- To encourage the faculty members and students for creative and innovative research.

POLICIES

1. The Faculty members and students are rewarded based on their Publication of Books, Chapters and Papers.
2. The research work of the faculty members and Students is recognized every year and prizes are given.
3. Financial support for research is provided to the faculty members who have completed their probation period.
4. Registration Fee is provided twice in a year to encourage faculty members to present and publish papers.
5. Priority is given to senior faculty members to attend FDPs, workshops, seminars and conferences.

Report on Research and IPR Cell

The Research and IPR Cell critically analyzes the papers published in the Journals and conference proceedings by the faculty members and rewards them with trophies and certificates.

The Research Cell in collaboration with IQAC organizes workshops, seminars, conferences and designs the entire plan. Research guidance is provided to Presented and participate in Seminars and conferences.

NPTEL-SWAYAM

Online Certification Courses

National Programme on Technology Enhanced Learning (*NPTEL*) is a project of MHRD initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003, to provide quality education to anyone interested in learning from the IITs. The main goal was to create web and video courses in all major branches of engineering and physical sciences at the undergraduate and Post Graduate levels and management courses at the postgraduate level.

Courses provided through online portal, 4, 8, or 12 weeks online courses, typically on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities with exposure to relevant tools and technologies, are being offered. The enrolment to and learning from these courses involves no cost. An in-person, proctored certification exam (optional) will be conducted at Rs. 1000/- per course and a certificate is provided through the participating institutions and industry, when applicable.

LC id of Sri Bhagawan Mahaveer Jain first Grade College is 3007

SPOC Member: Mr. Harish G, Asst Professor, Department of Commerce

In the academic year 2023-2024,

- ✓ Total number of students enrolled courses for July to December 2023.
20 students from B.Com, BBA, BCA and B.Sc.
- ✓ B.Com students enrolled for Business Sustainable Development, Decision making under uncertainty

GUEST LECTURES

GUEST LECTURE ON HUMAN VALUES AND ETHICS

Date: 14-06- 2023

TITLE: Human Values and Ethics

Total number of participants: 150

The resource person was Mr. Venkat Prabhu, motivational speaker, Pro-Edge, Bangalore. He spoke on the five universal Human Values of Love, Truth, Right Conduct, Peace and Non-violence, which encompass all the noble values. He added that when ethical values are integrated into an individual's life, they promote a sense of accountability and responsibility, encouraging them to act in the best interests of themselves and others. Human values, on the other hand, are crucial for fostering empathy and compassion.

WORLD SOIL DAY – Testing of Soil and Water in KGF

The Eco Club and Department of Life Science observed the World Soil Day 2023 from 5th December 2023 to 12th December 2023 with the theme “**Soil and Water: A source of Life**” to focus attention on the importance of healthy soil and to advocate for the sustainable Management of soil resources.

35 BSc PMCs, BGBt, Students and 2 faculty members actively involved in hands on training in testing the soil and water samples at various places in KGF and observed the results. It is a unique platform that not only celebrates soils but also empowers and engages the Student community to understand the quality of soil, importance of organic farming and impacts of chemical fertilizers.
